## GREATER ST. LOUIS

PFLAG is the nation's largest organization dedicated to supporting, educating, and advocating for LGBTQ+ people and those who love them.

-  PFLAG's love and acceptance save LGBTQ+ lives
-  PFLAG families raise resilient and empowered children
-  PFLAG educates and strengthens families and communities
-  PFLAG passion powers lifelong ally leaders in the fight for fairness and equality

## FIND COMMUNITY

We know it can take courage to walk into a meeting for the first time, so we work hard to create a welcoming space especially for newcomers. Our meetings are free, anonymous, and confidential - a safe space to ask questions, share fears or concerns, and celebrate your child.

**We are parents.** We love our kids and support them in every way we can. We have the same hopes and fears all parents do – physical safety, fulfilling careers, healthy relationships, happiness. We come together to share our stories, seek advice, educate ourselves, and celebrate our kids.

**We are LGBTQ+ people.** We know the benefits of supportive, loving families - biological and chosen. We come to share our stories and help others understand our life experiences. We value the loving support we find at PFLAG gatherings.

**We are grandparents, family members, siblings, friends, coworkers, neighbors, teachers, and other allies.** We want to show our support for our loved ones and the broader LGBTQ+ community. We want to learn about LGBTQ+ issues and how we can do our part to make the world more affirming of all sexual orientations and gender identities.
